

# FRANKLIN JOSEPH PROJECT CONSULTANT

**PROVIDING QUALITY SERVICE FOR  
ALL PROJECT RELATED NEEDS**

## **Message from Managing Director**

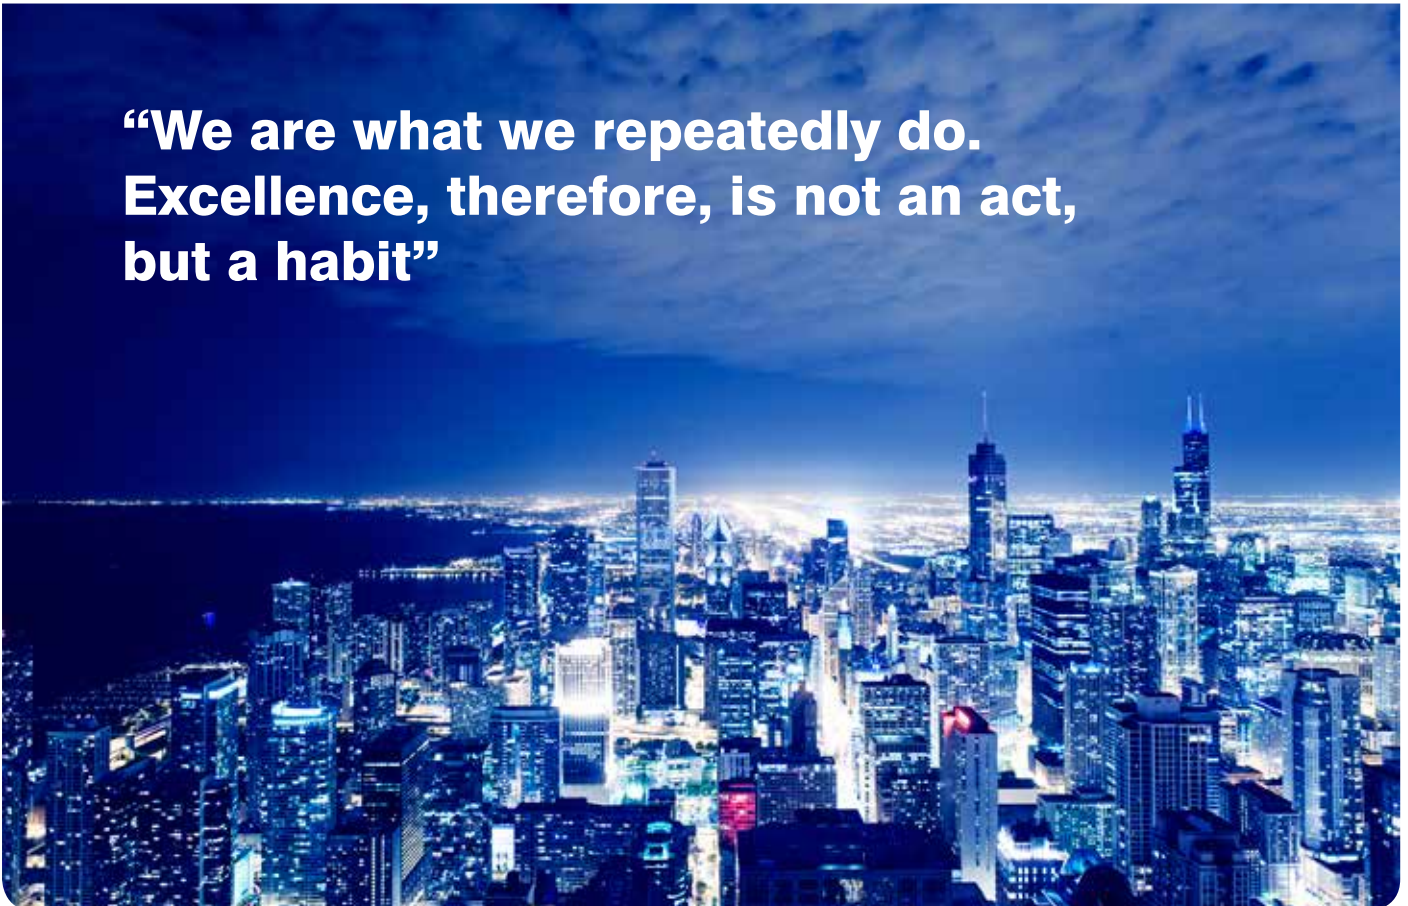

*"As one of Dubai's successful companies our corporate journey began in 2008, at a time when the United Arab Emirates was embarking on its own emerging path towards excellence on the world business and economic stage.*

*In tandem with UAE's remarkable pace of development, Franklin Joseph Project Consultant has grown by leaps and bounds, negotiating the peaks and troughs of the global economy to become a regional player servicing multiple markets with a diversified and flexible portfolio that embodies our forward-thinking philosophy.*

*Our philosophy is to provide the best value possible in an honest, ethical, and quality oriented manner."*

**Franklin Joseph**, a Chartered Quantity Surveyor (FAIQS, MRICS), has an overall experience of 22 years in the construction industry. His experience ranges over a broad spectrum commencing from an engineering background to commercial and contractual management of multi-discipline complex projects. In addition Franklin was a senior commercial and cost management personal at the Burj Khalifa development.

**"We are what we repeatedly do.  
Excellence, therefore, is not an act,  
but a habit"**
